OUR CENTRES

- Study in classrooms surrounded by the energy of sport
- Become part of the sports club's community
- Train at our education centres using the facilities
- Work experience opportunities available

FC UNITED OF MANCHESTER

"The education that SCL provides is not just about football but sport as a whole, so it gives these boys the opportunity to follow a different career pathway such as psychology in sport or coaching in sport – all these different things that they can look at as a career."

WEST HAM UNITED FOUNDATION

"It's incredible what the club does for young people and it's great to have the support of SCL throughout the programme. What I do like about the SCL programme is the way in which we can develop the players through the power of sport and education."

YORKSHIRE CRICKET COLLEGE

"I'm a big advocate for SCL, everything they've provided us has been fantastic. It's really vital to us that we can offer first class cricket coaching and a first class education. Our coaches are hugely experienced, so to have a similar standard of education in the classroom is brilliant."

DEVELOPING YOUR CAREER OPPORTUNITIES.

UNLOCKING YOUR POTENTIAL.

FURTHER STUDY OPPORTUNITIES

Many university courses require a good level of English and maths in order to apply. Usually, there is a Level 2 minimum requirement, equivalent to a GCSE grade 4 or higher

EMPLOYMENT OPPORTUNITIES

Employers want staff who have a good foundation in English and maths and a lack of qualification in English and maths can be a major barrier to employment

MENTAL HEALTH

Evidence shows that higher skills in English and maths can increase life expectancy and reduce the risk of encountering a range of mental health issues

RESOURCES

GCSE POD

We have invested in GCSEPod to support you both in and outside of lessons, featuring short videos and questions to 'check and challenge' knowledge

SKILLS FORWARD

You will receive a log-in to Skills Forward, where you will complete an initial assessment and diagnostic to identify any skill gaps. Skills Forward will be used to support you and tailor your learning

SPECIALIST SUPPORT

Our English and maths Specialists will support your individual development and help to unlock your potential

YOUR

Using the power and principles of sport, we deliver educational experiences to unlock potential.

SPORTING EXCELLENCE

Throughout your programme, you will spend a minimum of 4 hours per week focusing on your sports development as well as an opportunity to play competitively*.

You will complete a Player Performance Profile, which will include fitness testing, evaluation of your playing attributes, a SWOT analysis, and game time and injury reviews.

*Dependent on venue and programme.

During your programme, you will benefit from:

- Regular training from highly qualified coaches
- Opportunities to play in competitive fixtures
- Guidance on individual fitness
- Nutritional advice
- Regular appraisal to monitor development both on and off the pitch

PROGRAMME FUNDING

- As an ESFA partner, we have access to funding for the education of people aged 16-19 years. Providing that you are of the correct age and are eligible for funding, your programme will be fully funded and therefore free of charge to you.
- As a registered provider you can find us on the UK Register of Learning Providers.
- UKPRN: 10043208
- All learners enrolled on the programme can apply for bursaries if their household income is at or below the designated threshold*.
- Whilst your programme will be fully funded, you will need to consider your costs for kit, textbooks and travel costs to and from training, education and matches.

LEARNER STORIES

Discover where your journey with SCL could take you.

Phoebe was one of several SCL students at Yorkshire Cricket College to be selected for the Northern Diamonds Academy in 2021, which focuses on developing girls into cricketers capable of representing the Northern Diamonds and hopefully England. Alongside her success on the pitch, Phoebe has excelled academically and has been accepted into her chosen university, ready to build a career in sport.

Since starting his SCL programme, Dylan has been a dedicated learner on and off the field. With a fantastic attitude to training and education, his playing ability has allowed him to break into the first team at CACT's partner non-league side, Welling Town. Dylan is currently working towards his Level 1 coaching badge and has applied it at CACT's holiday courses for local young players. Dylan has a promising future in store, with his recent performances having even caught the eye of Charlton Athletics academy scouts.
